MODELING GEL MASK

✧ ✧ Ultra-nourishing Treatment

✧ ✧ Sparkly Facial Service

✧ ✧ Runway-ready Skin

Upgrade your facial service with our premium Modeling Gel Mask! The most advanced professional gel-type modeling mask treatment, **an easy add-on to your facial** and other salon services! Offer your clients the sparkliest and ultra-nourishing treatment for **runway-ready skin** in minutes!

HOW TO USE

STEP 1

Cleanse & tone skin before mask application.

STEP 2

Pour Modeling Gel & Collagen Powder into the mixing bowl. Stir & mix for 30 secs with the spatula.

STEP 3

Apply the modeling mask all over the face immediately. (Keep lips & eyes closed if covered).

STEP 4

Leave on for 20-30 min. until the mask is fully set.

STEP 5

Remove the mask upward in one piece. No rinsing needed.

STEP 6

Follow with a serum & moisturizer, then glow on!
